About me

HSE FCS student
Great desire to learn
Open to new experience

Skills

C++

Java

Python

Communicability

Learning ability

(*)[The skill scale is from 0 (Fundamental Awareness) to 6 (Expert).]

Education

2015-2017	GoTo project schools
2017-2021	NRE HSE Faculty of Computer Science
2018	Tinkoff Fintech Course on QA Automation

Awards

2016	Data science hackathon GoToHack2 3 place. Speech analysis, different people's voices detection

Experience

2016-2017	Freelancer Python, Java. Desktop apps and chat-bots
2016-2018	Data science and machine learning hackathons GoToHack, GoToHack2, MentorHack, etc.

Other information

Languages experience

Python	Desktop and web apps Flask, MongoDB, Social networks APIs	
Python	Machine learning Deep learning (theano, lasagne, pytorch), basic sklearn algorithms	
Java	Desktop apps JavaSE, JavaFX, MongoDB	
C++	Olympiads	

Foreign languages

English	Upper-Intermediate
French	Beginner Reading and understanding

Hobbies

Coaching	Programming tutor in high school "Moscow Winners"Association, language: Python, C++. GoTo project schools, language: Python
Music	Playing piano, ukulele, guitar, singing Music school finished, red diploma
Translation	IT articles translation For habrahabr.ru
